The Valley of Mills, Manors and Inns

Bokesbourne - Wickhambreaux

This 7 mile (11.5 kms) walk follows two East Kent `rivers` the Nailbourne and the Little Stour.

The Little Stour, from which the village of Littlebourne takes its name, is as the name suggests `Little` yet within 2 kms of its length there are three water mills, Littlebourne, Wickhambreaux and Seaton. Three churches, Littlebourne, Wickhambreaux and Ickham and four Pubs, the Rose, the Duke William, the Unicorn and the Evenhill . Perhaps the mill owners spent a lot of time praying for rain and then killing their thirst in the pub after a hard days milling!
